

How No Kid Hungry Louisiana Can Help

An Overview of Our Work and The Resources We Provide

LOUISIANA

LOUISIANA

No Kid Hungry is a Campaign by Share Our Strength

Share our Strength's Mission is to end hunger and poverty in the US and abroad.

Through proven, effective campaigns, we connect people who care to ideas that work.

SCHOOL MEALS

Schools are at the center of our work - community centers trusted by parents and staffed by people who know the children by name and care about them. At school, kids can get the healthy food they need - for every meal of the day.

GRANTS

We distribute grants to schools, food banks and community groups across the nation to help them get the essential resources they need to feed kids, from meal carts to refrigerators to delivery trucks.

ADVOCACY

We work with national, state and local elected leaders, fighting for policies that help families make ends meet - from expanding food assistance programs to cutting through red tape to help feed children during the pandemic.

How We're Ending Childhood Hunger

How We Can Help

- Provide guidance related to the SBP, NSLP, CACFP, SFSP and SSO.
- Strategize plans for meal service.
- Share ideas around meal distribution, staffing, communication, partnerships, and more.
- Offer individualized support around CEP adoption and implementation, including conducting financial analyses.
- Relay best practices and lessons learned from districts across the state and country.
- Celebrate staff, promote events, and broadcast successes to statewide and national audiences.
- Assist with educator engagement.
- Connect you with peer-to-peer support.
- Help navigate and clarify USDA waivers.
- Offer grant opportunities.

LOUISIANA

A young boy with dark hair and eyes, wearing a bright green t-shirt, is smiling warmly at the camera. He is holding a blue carton of milk with the name 'MARCUS' visible on it. In the background, another person in a light blue shirt is partially visible, also holding a yellow carton of milk. The setting appears to be outdoors, possibly at a food distribution site.

Site Locator Texting Service

**Text “FOOD” or “COMIDA”
to 304-304**

Asks for address or ZIP code and
returns the days, hours, and location of
the three closest meal distribution sites
